## **I AM THAT, I AM!**

The Message from the last two Celestial Cleanses was short and simple. It was a call to focus on the phrase, I Am That, I Am. We are encouraged to notice people, animals, plants and objects around us. We share the same molecules and come from the same Source, being One with All. The message was a call to action, for the two weeks between the cleanses to take time to FEEL at One with All. This will help to break down the barrier of separation that leaves us feeling lonely and

confused. Once we truly understand we are One with All, then our creative potential will massively unfold.

## PERSONAL SOULCLEANSE

The SoulCleanse is a process to clear non-beneficial entities and energies that may be interfering with your ability to connect with your Soul and Spirit Guides, as well as hinder your Life Purpose.

These interferences also manifest in physical, mental and emotional ailments and are often associated with addictive and compulsive behaviors.

You will receive a detailed report and message from your Soul based on your specific areas of concern.

**All work is performed remotely and on a donation basis.**

Visit [www.theresacrabtree.com/soulcleanse](http://www.theresacrabtree.com/soulcleanse) for more information or to request a SoulCleanse for yourself or a loved one.
