

**Beginner's Guide to Prayer** is a free, self-paced e-course created and hosted by Vlad Savchuk.

Each of the nine short lessons includes a video around 11 minutes in duration that is packed with excellent information and insight.

The highlights of each video are included in the accompanying pdf download.

These Biblically sound lessons are designed to deepen your understanding and practice of prayer.

Transform your prayer life into a close relationship with God!

Although the e-course is free, if you find it to be a blessing, be sure to send a donation and show your appreciation!

Share the good news with others!
