

FREEMASON PRAYER OF RELEASE

This prayer is intended to help you break free from any form of demonic interference. Before you begin, read through the entire document carefully. As you pray, feel free to include any areas of your life where you've experienced involvement—whether these actions were done to you or by you. Simply skip any sections that do not apply to your situation.

If you have had personal involvement with Freemasonry, you might want to check out the longer prayer, "Freemason - Long Form for Specific Lodges" at theresacrabtree.com/renounce-and-release-prayers/

If you are not afraid of demonic forces and truly believe you have the authority, through the name of Jesus, to cast them out, you are encouraged to proceed with this prayer. However, if you do not yet have a strong connection with Jesus or lack confidence in His power to deliver you, the prayer may not be effective. In that case, consider reaching out to me for support, or explore additional teachings and resources available on my YouTube channel. You can also strengthen your understanding by reading the Bible yourself and downloading the over 200 scriptures referenced in my ten-part video series on demonology at theresacrabtree.com/bible-studies/.

When you are ready to begin, speak the prayer aloud with faith and conviction. Remember, this document is simply a template—there is no "right" or "wrong" way to pray. Use your own words from the heart as you invite God's power and protection into your life.

Heavenly Father,

I come before You with a humble heart, asking for Your protection over me and my family. Please shield us from any interference by spirit beings during this time. Holy Spirit, I invite Your guidance, and ask that You reveal to me any areas in my life where I may be out of alignment with Your will. If there are any fragments, alters, or sub-personalities that may cause disruption, I pray that they be kept away as we work together.

I renounce and forsake all involvement in Freemasonry or any other lodge, cult or craft by my ancestors and myself. I renounce witchcraft, the principal spirit behind Freemasonry, and I renounce and rebuke Baphomet, the spirit of Antichrist, and the curse of the Luciferian doctrine. I renounce the idolatry, blasphemy, secrecy, and deception of Masonry at every level. I specifically renounce the insecurity, the love of position and power, the love of money, greed, and pride which led me and/or my ancestors into Masonry. I renounce all the fear which held me and/or them in Masonry, especially the fear of death, and the fear of men.

I renounce every position held in the lodge by me and/or any of my ancestors. I renounce all oaths taken, and the curses associated with those oaths, including; the women's Orders of the Eastern Star, the girls' order of the Daughters of the Eastern Star, the International Orders of Job's Daughters, and the International Order of the Rainbow for Girls, the boys' Order of DeMolay, Knights of Columbus, and every university or college fraternity or sorority with Greek and Masonic connections, and their effects on me and all my family.

I renounce the fear of insanity, anguish, death wishes, suicide, and death in the name of Jesus Christ. I renounce all anger, hatred, murderous thoughts, revenge, retaliation, spiritual apathy, and false religions, and I renounce all unbelief, especially unbelief in the Holy Bible as God's Word, and all compromise of God's Word. I renounce all spiritual searching into false religions, and all striving to please God. I rest in the knowledge that I have found my Lord and Savior Jesus Christ, and that He has embraced me.

I will burn, destroy or deeply bury any object in my possession which connects me with all lodges and occultic organizations, including all regalia, aprons, books of rituals, rings, and other jewelry. I renounce the effects these or other objects of Masonry, such as the compass, the square, the noose, or the blindfold, have had on me or my family. In Jesus' name. Amen.

Holy Spirit, I ask that you show me anything else which I need to do or pray, so that I and my family may be totally free from the consequences of the sins of Masonry."

(Pause, while listening as the Holy Spirit leads you.)

If you are not in fear of the demons and have the belief that you have the right to cast them out in the name of Jesus, then you are encouraged to continue with this prayer. If you do not have a strong connection with Jesus or believe that he has the ability to cast demons from you, they may not leave. In that case, contact me for support. BINDING AND CASTING OUT DEMONS PRAYER

By the authority granted to me in Jesus Christ, I revoke all access, rights, or claims that any evil spirit has had over my life—whether through lies, deception, trauma, agreements, or any other means. I break every curse, oath, covenant, and legal right the enemy has held against me. I close every door that I or my ancestors have opened to darkness, sealing them with the blood of Jesus. I now declare that Satan and his demons no longer have any legal right to mislead, manipulate, or control me.

In the powerful name of Jesus Christ, I call attention to every demon attached to me—whether coming, going, circulating freely, or in any way connected to my life. You are now under the authority of the risen Lord Jesus Christ. I bind you and command that you will not harm me or anyone connected to me. You will not hide, leave, seek help from others, or move on to someone else. You will not split, divide, multiply, fragment, clone, or delegate your duties to any other demon. Any parts of you residing in others or elsewhere, I call back now and command you to unite as one.

Now, I command you to immediately repair any damage you've caused to me or those connected to me. Restore all things to their proper order, in the name of Jesus Christ. I command you to pack your belongings, take any equipment, implants, seeds, energetic debris, and fully pull up any roots you have planted. Take it all with you. Gather your entire kingdom, ranks, and all associated members, and unite as one. Now go directly into the abyss or wherever Jesus Christ sends you. Completely release me, in the name of Jesus Christ. You have no legal right to remain. This is a command, and it must be obeyed. Go, now!

If any demons dare to linger or resist, Lord Jesus, I ask that You send Your angels to bind them and torment them by all means necessary until they depart. Escort them to the abyss or wherever they can no longer cause harm to anyone. By faith, I receive freedom from all demonic influences in my life, inherited from both my choices and those of my ancestors.

Holy Spirit, I invite You to fill every part of me. Grant me discernment to recognize Your will clearly, and help me reject the deception of all forces that rebel against You.

Thank You, Father, Lord Jesus, and Holy Spirit, for setting me free. Amen.

Additional Instructions:

If you feel tension or discomfort in specific parts of your body during this prayer, it may indicate that demons are holding on. Repeat the command for them to leave several times until your body feels more relaxed. If they try to control your body or cause mental confusion, say, "I bind all demonic powers in, on, or around me, and I command you to be silent and still, in the name of Jesus Christ." This usually calms the disturbance.

The goal is to bind them temporarily, giving you space to complete the process. Pray for help from the Creator and Jesus to overcome their resistance and to strengthen your courage and faith.

Not a believer in Jesus?

I personally believe that every person has the authority to cast out demons from their body and soul, much like one would command an intruder to leave their home. However, stronger demons may hide or resist, making it hard to release them alone. Without the authority of Jesus Christ—who holds the keys to the demonic realm—they are unlikely to be sent into the abyss. But if you are willing to command the demons to go to the feet of Jesus and trust that He will direct them where He chooses, your chances of releasing them improve. Once they leave, they can only return if there are still open doors that grant them access. The SoulCleanse process helps identify and close those doors, but you must also do your “inner work” by addressing fears, beliefs, and behaviors that leave you vulnerable to demonic influence.

What Can I Expect from Doing This Exercise?

Everyone’s experience is unique, so what you encounter may vary. If there are demonic influences involved, you might feel their presence through anxiety, often manifesting as a sudden headache, a queasy stomach, muscle tension, or other bodily sensations. They may try to delay the process by creating distractions or making you feel drowsy when you attempt the exercise. In some cases, they might use fear tactics, such as inducing nightmares or causing minor pain like pinches or pokes. You may also experience intrusive thoughts such as, “This isn’t real,” “This isn’t safe,” or threats like, “You’re too weak to fight me; you’ll regret this. We’ll hurt your family.” These are lies, and it’s important to reject them.

When demons are released, it’s usually subtle, often occurring through the breath—like deep sighs, coughing, burping, or yawning. Some people feel the demons leave from different parts of their bodies, while others might experience vomiting or expelling a bile-like substance. It’s a good idea to have a plastic bucket and tissues nearby, just in case.

Whether you’re dealing with demons or not, you may experience various changes in the days following the exercise. If demons have been affecting your body, you may feel physical healing taking place. Some people feel more energized, while others may need more rest as their energies realign. Emotional shifts are common as well, and many people report feeling a greater sense of inner peace and clarity.

Remember, this prayer targets demons that entered through one specific door. You might still have others that entered through different doorways. Just like with this prayer, be ready to stop and repent for any wrongdoing on your part. Then, using the prayer as a template, renounce the fear, belief, experience, or activity that allowed those influences to take hold, and repeat the casting-off process.

If you’re already dealing with demons that manifest violently, it’s advisable to have someone with you during this exercise. Fasting and prayer beforehand can help make the process smoother. The most stubborn demons are often the last to leave. If they resist departure, you may need additional support from an experienced deliverance minister to help them go.

If you have Dissociative Identity Disorder (DID), paranoia, or schizophrenia, it’s important to have someone with you when doing this exercise. This is because your true self may be so intertwined with the demonic influences that an “identity crisis” or “inner conflict” could arise. The positive side, however, is that this could be an opportunity for you to rediscover and re-create your true self.

Final Note: Sometimes what seems like demonic interference is actually a result of unprocessed trauma, learned behaviors, fear, or other factors. Therefore, doing “inner work” to release these blocks and close any open doors is key to preventing vulnerability to such influences.
