

SATANIC RITUAL AND ABUSE FREEDOM PRAYER

This prayer is intended to help you break free from any form of demonic interference. Before you begin, read through the entire document carefully. Highlight any areas that you have been involved in. Also make note of any that pertain to you but are not mentioned. Include those as you say the prayer. Skip any sections that do not apply to you.

It is to your advantage to find and close any open doors that allowed demons to gain entry into your body, mind and soul. You have the authority to evict demons from your personal space. However, if you do not yet have a strong connection with Jesus or lack confidence in His power to deliver you, the prayer will be less effective. In that case, consider reaching out to me for support, or explore additional teachings and resources available at youtube.com/c/TheresaCrabtree88. You can also strengthen your understanding of demons by studying the Bible. You may also be interested in downloading over 200 scriptures referenced in my ten-part video series on demonology at theresacrabtree.com/bible-studies/

When you are ready to begin, speak the prayer aloud with faith and conviction. Remember, this document is simply a template—there is no “right” or “wrong” way to pray. Use your own words from the heart as you invite God’s power and protection into your life.

Heavenly Father,

I come before You with a humble heart, asking for Your protection over me and my family. Please shield us from any interference by spirit beings during this time. Holy Spirit, I invite Your guidance, and ask that You reveal to me any areas in my life where I may be out of alignment with Your will. If there are within me any fragments, alters, or sub-personalities that may cause disruption, I pray that they be kept away as we work together.

ANCESTRAL CURSES

Heavenly Father, I ask for forgiveness for the choices my ancestors made that were outside of Your will. Please extend Your mercy to every member of my lineage, including myself, my parents—both biological and adoptive—and every generation reaching back to the very beginning of humanity. Forgive every iniquity and transgression within my bloodline, including any involvement with the occult, false religions, secret societies, or demonic covenants—whether known or unknown, intentional or unintentional.

In Jesus’ name, I renounce and break every unholy bargain, covenant, transfer of power, dedication, curse, pact, vow, oath or agreement made with any person, demon, or entity by my ancestors or anyone else claiming authority over me on behalf of my bloodline or future generations. I renounce and break every unholy bargain or covenant made with demons or evil beings, human or non-human. I cancel every claim of darkness, every covenant of death, and every agreement of bondage. By the authority of Jesus Christ, I break their power over me and all generations of my lineage—past, present, and future.

I forgive and release all my ancestors for every effect their choices may have had on my life. I also confess, repent and forgive myself for every way I have agreed with or participated in these unholy activities. Lord, cleanse me and my entire lineage.

I take to heart Your wisdom given to Your ancient people: *“Do not make a covenant with them or with their gods. Do not let them live in your land or they will cause you to sin against me, because the worship of their gods will certainly be a snare to you.”* (Exodus 23:32-33)

AGREEMENTS MADE ON MY BEHALF

In the name of Jesus Christ, I break and cancel every unholy agreement, bargain, covenant, transfer of power, dedication, curse, pact, vow, or oath made on my behalf by any family member or person claiming authority over me. I revoke every permission granted to perform ungodly rituals, ceremonies, or acts of evil against me.

I cancel and break the power of every dedication of my life to any principality, power, or ruler of darkness—whether before my conception, in the womb, at birth, or at any time in my life. By the authority of Jesus Christ, I declare every such ceremony null, void, and powerless—both for myself and for my descendants.

I renounce and break all giving over of my life to any person or entity, human or non-human, for purposes outside of God's will for me. I declare that every transaction, agreement, or document regarding my being sold, given, or transferred is now canceled and void. I renounce any and all claims of ownership of my body, mind and soul by humans, demons and other created beings. I renounce, reject and cut soul ties with all evil human and non-human beings who have claimed or been given permission to have control over me, whether I was in agreement or not. All permissions and contracts are now made null and void.

I renounce the office and title "Child of Satan" and declare that I am a child of God, the Creator of the universe and no other, as it is written in 1 John 3:1, *"See what great love the Father has lavished on us, that we should be called children of God."*

SUBMISSION OF OWNERSHIP

I repent, renounce, and ask forgiveness for every instance in which I submitted my power and authority to ungodly humans or non-human entities. I also repent for any role I played in ceremonies, rituals, or agreements that handed others over to such ungodly powers.

I renounce, reject, revoke, and declare null and void all oaths, vows, and covenants of death, silence, secrecy, obedience, compliance and loyalty made to evil humans, demons, or non-human entities.

I renounce and dissolve all "silver cord" bindings and ceremonies. I renounce and break every marriage covenant, vow, or oath made with any demon, entity, or ungodly being, including any future promises of such. I specifically renounce and cancel the power of the words "married for all time and eternity," declaring those words withdrawn, annulled, and rendered powerless.

I repent of and renounce all involvement in unholy marriage covenants, vows, and oaths made to Satan or any ungodly spiritual being, as well as any sexual sins tied to those ceremonies.

I renounce and surrender the title and office of "Bride of Satan." In the spirit, I remove all marriage rings and wedding attire connected to these unholy unions. In exchange, I desire to be received as a Bride of Christ, clothed in fine linen representing righteous deeds (Revelation 19:7–8).

I renounce and erase my name from the "Goats' Book" or any record, document, or list connecting me to evil groups or organizations. Instead, I pray that by cleansing this evil from my past, I may be found worthy to be written in the Lamb's Book of Life (Revelation 21:27) and, on the Day of Judgment, to be counted among the sheep and not the goats (Matthew 25:31–34).

CONTRACTS AND COVENANTS

I repent of, renounce, and break every contract, vow, oath, agreement, incantation, endorsement and petition made with any human or non-human being through unholy blood covenants or agreements. I renounce and sever every contract, vow, and bond of sexual slavery between myself and any individual, group, or organization. I renounce and break the dedication of any personality alters or fragmented parts of my body, mind, or soul to any evil human or non-human entity. I renounce and break every eternal covenant that is not of God. I now proclaim and affirm that I am in a new covenant with Jesus Christ (Luke 22:20).

RITUALS AND CEREMONIES

I repent, renounce, and break the power of every ritual or ceremony I have participated in—whether willingly or unwillingly—that is not in alignment with the will of God. I repent and renounce all acts of sexual immorality, whether committed during ceremonies or at any other time, and I break every soul tie with the group leaders and participants involved.

I repent, renounce, and break the power of every false baptism or initiation into any religious organization that does revere the Most High God. I sever every connection, vow, creed, and contract made with these organizations, in Jesus' name.

I repent, renounce, and ask forgiveness for offering my heart to any evil being—human or non-human. Today, I choose to follow God's will, loving the Lord my God with all my heart, soul, and strength. (Deuteronomy 6:5; Matthew 22:37)

I reject and break every form of demonic transference received through the laying on of hands—whether through Satanic rituals, Reiki, healing sessions, massage, or any other practice—whether I or the practitioner understood what was happening or not. I break every soul tie with these practitioners and with any demons connected to them.

I also pray that those who are unknowingly transferring demonic influence would be brought into the truth of what they are doing and be set free to walk in God's light and truth.

SACRIFICE AND OFFERINGS

I confess, repent, and renounce every unholy sacrifice and offering ever made to evil beings, whether human or non-human. These include financial support for criminal activity, the use of unholy water or oil, blood and other body fluids from myself, other humans and animals. I sever, nullify, and break all promises, covenants, invocations, and acts of reverence made to any human or non-human to whom sacrifices or offerings were given.

I confess, repent of and renounce my willful and non-willful participation in the bloodletting, mutilation, torture, or death of any human or animal. I confess, repent, and renounce any consumption of blood, body fluids or flesh of animals or humans as part of unholy ceremonies, acknowledging this as a perversion of God's holy communion. (1 Corinthians 11:27–30) I declare null and void all rights, claims, or agreements held by others who have consumed my blood or other body fluids.

I break every soul tie with unholy humans or non-humans to whom I have knowingly or unwillingly offered sacrifices or offerings. In the same way, I break every soul tie with those who have offered sacrifices or offerings to me.

CORONATIONS, INITIATIONS AND ORDINATIONS

I confess, repent of, renounce, and reject any and all initiation into or participation in unholy offices of any kind, including but not limited to roles of high priest, high priestess, god, or goddess. I reject all power, authority, or worship once given to me or received by me in these capacities.

I declare null and void every contract, agreement, vow, or oath made by me, or on my behalf, during any coronation, ordination, initiation, or while serving in any such office. I render null and void all curses, penalties, threats, and vows attached to my free-will decision to break any and all unholy vows, oaths, or allegiances to humans, non-humans, or organizations.

I affirm that I have removed, or will remove, and dispose of all objects connected to these offices — including rings, clothing, jewelry, art, books, photographs, symbols in all forms, and any so-called power objects.

I reject and renounce every demonically inspired office or priesthood, recognizing these as distortions of God's will. I now fully embrace and align myself with the promise of 1 Peter 2:9, *"You are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of Him who called you out of darkness into His wonderful light."*

HARM I CAUSED TO OTHERS

I openly confess, repent, and seek forgiveness for my involvement in any actions where I intentionally or was coerced into causing harm to others. I revoke and nullify all curses, spells, hexes, black magic, witchcraft, shamanism, voodoo, mind control, and any other methods I have used to harm others.

I withdraw any fragments of my being that were used to maintain these spells and sever all unholy soul ties with the individuals I have harmed. Any objects, such as photographs, pictures, body fluids, hair, personal belongings, or "gifts," that I or any demonic forces have used to fulfill my selfish desires, are now stripped of any power they once held.

Any demons I summoned or that were assigned or attached themselves of their own accord are hereby informed that they have no legal right to continue tormenting the victims of my actions. Any contracts between us are now null and void. In the mighty name of Jesus, I request that any demons harassing myself and others due to my reckless actions be bound and sent to the abyss.

Holy Spirit, I ask for your cleansing and restoration. Heal the damage I and the demons working through me have inflicted upon these individuals. Restore their physical, mental, and emotional well-being.

Remove the curses and blocks I placed on them, their families, careers, finances, and all aspects of their lives that I or the demons have hindered. If it is your will, I ask that you bless them abundantly, restoring to them all that was lost and more than what I took from them.

BREAK SOUL TIES

I hereby declare that no evil human—whether living or deceased—no demonic entity, nor any other non-human being holds any legal, spiritual, or energetic rights over my body, soul, or mind. All agreements, contracts, or covenants with such beings are now rendered null, void and without effect. I cut, sever, and dissolve all unholy ties—whether inherited through my ancestral lineage or formed through agreements, submission of ownership, contracts, covenants, rituals, ceremonies, sacrifices, offerings, coronations, initiations, ordinations or by any other means—known or unknown.

I declare null and void all unholy unions, whether chosen or forced upon me, including but not limited to spiritual adoptions, bondage, false gods and religions, marriages, master-slave relationships, sexual involvement, and any form of servitude.

I affirm my complete liberation from the power and bondage of all curses, spells, hexes, black magic, witchcraft, shamanism, voodoo, mind control, and any other harmful methods or energies directed against me. I am free, sovereign, and whole—now and forevermore.

BINDING AND CASTING OFF DEMONS PRAYER

By the authority granted to me in Jesus Christ, I revoke all access, rights, or claims that any evil spirit has had over my life—whether through lies, deception, trauma, agreements, or any other means. I break every curse, oath, covenant, and legal right the enemy has held against me. I close every door that I or my ancestors have opened to darkness, sealing them with the blood of Jesus. I now declare that Satan and his demons no longer have any legal right to mislead, manipulate, or control me.

In the powerful name of Jesus Christ, I call attention to every demon attached to me—whether coming, going, circulating freely, or in any way connected to my life. You are now under the authority of the risen Lord Jesus Christ. I bind you and command that you will not harm me or anyone connected to me. You will not hide, leave, seek help from others, or move on to someone else. You will not split, divide, multiply, fragment, clone, or delegate your duties to any other demon. Any parts of you residing in others or elsewhere, I call back now and command you to unite as one.

Now, I command you to immediately repair any damage you've caused to me or those connected to me. Restore all things to their proper order, in the name of Jesus Christ. I command you to pack your belongings, take any equipment, implants, seeds, energetic debris, and fully pull up any roots you have planted. Take it all with you. Gather your entire kingdom, ranks, and all associated members, and unite as one. Now go directly into the abyss or wherever Jesus Christ sends you. Completely release me, in the name of Jesus Christ. You have no legal right to remain. This is a command, and it must be obeyed. Go, now!

If any demons dare to linger or resist, Lord Jesus, I ask that You send Your angels to bind them and torment them by all means necessary until they depart. Escort them to the abyss or wherever they can no longer cause harm to anyone. By faith, I receive freedom from all demonic influences in my life, inherited from both my choices and those of my ancestors.

Holy Spirit, I invite You to fill every part of me. Grant me discernment to recognize Your will clearly, and help me reject the deception of all forces that rebel against You. Thank You, Father, Lord Jesus, and Holy Spirit, for setting me free. Amen.

Additional Instructions:

If you feel tension or discomfort in specific parts of your body during this prayer, it may indicate that demons are holding on. Repeat the command for them to leave several times until your body feels more relaxed. If they try to control your body or cause mental confusion, say, "I bind all demonic powers in, on, or around me, and I command you to be silent and still, in the name of Jesus Christ." This usually calms the disturbance.

The goal is to bind them temporarily, giving you space to complete the process. Pray for help from the Creator and Jesus to overcome their resistance and to strengthen your courage and faith.

Not a believer in Jesus?

I personally believe that every person has the authority to cast out demons from their body and soul, much like one would command an intruder to leave their home. However, stronger demons may hide or resist, making it hard to release them alone. Without the authority of Jesus Christ—who holds the keys to the demonic realm—they are unlikely to be sent into the abyss. But if you are willing to command the demons to go to the feet of Jesus and trust that He will direct them where He chooses, your chances of releasing them improve. Once they leave, they can only return if there are still open doors that grant them access. The SoulCleanse process helps identify and close those doors, but you must also do your “inner work” by addressing fears, beliefs, and behaviors that leave you vulnerable to demonic influence.

What Can I Expect from Doing This Exercise?

Everyone’s experience is unique, so what you encounter may vary. If there are demonic influences involved, you might feel their presence through anxiety, often manifesting as a sudden headache, a queasy stomach, muscle tension, or other bodily sensations. They may try to delay the process by creating distractions or making you feel drowsy when you attempt the exercise. In some cases, they might use fear tactics, such as inducing nightmares or causing minor pain like pinches or pokes. You may also experience intrusive thoughts such as, “This isn’t real,” “This isn’t safe,” or threats like, “You’re too weak to fight me; you’ll regret this. We’ll hurt your family.” These are lies, and it’s important to reject them.

When demons are released, it’s usually subtle, often occurring through the breath—like deep sighs, coughing, burping, or yawning. Some people feel the demons leave from different parts of their bodies, while others might experience vomiting or expelling a bile-like substance. It’s a good idea to have a plastic bucket and tissues nearby, just in case.

Whether you’re dealing with demons or not, you may experience various changes in the days following the exercise. If demons have been affecting your body, you may feel physical healing taking place. Some people feel more energized, while others may need more rest as their body and energies realign. Emotional shifts are common as well. Many people report feeling a greater sense of inner peace and clarity.

Remember, this prayer targets demons that entered through one specific door. You might still have others that entered through different doorways. Be ready to stop and repent for any wrongdoing on your part. Then, using the prayer as a template, renounce the fear, belief, experience, or activity that allowed those influences to take hold, and repeat the casting-off process.

If you’re already dealing with demons that manifest violently, it’s advisable to have someone with you during this exercise. Fasting and prayer beforehand can help make the process smoother. The most stubborn demons are often the last to leave. If they resist departure, you may need additional support from an experienced deliverance minister to help them go.

If you have Dissociative Identity Disorder (DID), paranoia, or schizophrenia, it’s important to have someone with you when doing this exercise. This is because your true self may be so intertwined with the demonic influences that an “identity crisis” or “inner conflict” could arise. The positive side, however, is that this could be an opportunity for you to rediscover and re-create your true self.

Final Note: Sometimes what seems like demonic interference is actually a result of unprocessed trauma, learned behaviors, fear, or other factors. Therefore, doing “inner work” to release these blocks and close any open doors is key to preventing vulnerability to such influences.
